A MESSAGE FROM JOE PAUL GONZALEZ

Reporting the Statement of Vote for the September 14, 2021 Gubernatorial Recall Election to the Board of Supervisors and to the voters of San Benito County feels like a significant achievement rather than a mundane reporting requirement. The last California Gubernatorial Recall Election was in 2003 and our planning time was cut in half due to the timing of the announcement of the date of the election.

The state legislature renewed emergency legislation that allowed California counties to adopt Voters Choice Act like method of in-person voting, one voting location for every 10,000 registered voters. This change in law allowed for any San Benito County registered voter to vote at any one of the four voting locations during the four days of voting. It also allowed for eligible residents to register and vote for the first time at any of the four voting locations. The dedicated poll workers at our vote centers assisted a total of 1,474 San Benito residents in casting their ballot during this election season.

We went the extra mile and worked hard to encourage voters who had returned their vote-by-mail envelopes with a non-matching or missing signature to cure their ballots. Elections Department staff made home visits to voters to provide them with the opportunity to sign their envelope or verify their signature in person.

An important part of the election canvass that began the day after the Election is the manual tally of election results that provides statistical evidence of the accuracy of the machine counted ballots. We randomly selected 1 of the 18 precincts for in person votes and 10 of the 221 Vote By Mail ballot batches that altogether contained a total of 1012 ballots that were hand counted and compared to the machine count. The results of this audit of 4.59% of our county's total number of votes were spot on.

I am proud of all the voters who returned their vote-by-mail ballots earlier than ever before in unprecedented numbers. Lastly, I would like to thank my staff and poll workers that worked so hard for so many hours to ensure that the September 14, 2021 Gubernatorial Recall Election was safe, accurate, and secure.

Sincerely,

County Clerk, Auditor & Recorder
Registrar of Voters

Report of Manual Tally

California Gubernatorial Recall Election

Tuesday, September 14, 2021

Official Canvass: The official canvass was completed and certified on Thursday, October 14, 2021. This process consisted of several steps which were conducted per Chapter 4, commencing with Election Code Section 15300. These steps include an inspection of all materials and supplies returned from each voting location, processing and counting vote by mail ballots and ballots cast at and returned from each voting location, including same day registration (CVR/PV) ballots, a reconciliation of signatures in the Voting Location check-ins with votes recorded, a reconciliation of ballots counted with the number of votes recorded, a manual tally of 1% of the ballots cast and tabulated by the voting systems. The Department notified the public of the schedule of activities and invited any and all interested individuals and/or groups to observe.

1% Manual Tally of Paper Ballots: The 1% manual tally includes ballots cast from randomly selected voting locations, including random return groups of vote-by-mail, early voted ballots, and election day in person ballots. The "one percent manual tally" is defined by Election Code Section 336.5 as "the public process of manually tallying votes in 1 percent of the precincts, selected at random by the elections official, and in one precinct for each race not included in the randomly selected precincts. This procedure is conducted during the official canvass to verify the accuracy of the automated count."

On Wednesday, September 22nd at 8:33 am, the Department conducted a system generated "One Percent Random Sample." The random selection included countywide vote by mail ballots, and 1 complete precinct (H521) from in person voting (includes Early Vote and Election Day ballots cast).

CANVASS SUMMARY	MACHINE COUNTED	MANUAL COUNTED	MANUAL PERCENTAGE
Vote by Mail Ballots	20,591	927	4.50%
In Person Voting	1,474	85	5.77%
TOTAL	22,065	1012	4.59%

During the Official Canvass and Manually Tally of Paper Ballots there were no notable discrepancies.
