JOE PAUL GONZALEZ

County of San Benito

CLERK-AUDITOR-RECORDER
Registrar of Voters

December 1, 2020

A MESSAGE FROM JOE PAUL GONZALEZ

There were many challenges that makes the reporting of the Statement of Vote for the November 3, 2020 General Election to the Board of Supervisors and to the voters of San Benito County feel more like an achievement than what is under normal circumstances a mundane reporting requirement.

The top challenge was determining how best to keep voters, poll workers and observers safe while conducting in-person voting in the middle of the Covid-19 Coronavirus pandemic, which had already claimed over a quarter of a million lives in this country by the first day of in-person voting, October 31st. We quickly determined that our traditional polling locations were just too small to provide any level of social distancing. The state legislature adopted emergency legislation that allowed California counties to adopt Voters Choice Act like method of in-person voting, one voting location for every 10,000 registered voters. This change in law allowed for any San Benito County registered voter to vote at any one of the four voting locations during the four days of voting. It also allowed for eligible residents to register and vote for the first time at any of the four voting locations. There were 722 residents who became registered voters after the close of registration, September 19th. Many of those were lifelong residents that found themselves motivated for the first time to register and vote on Election Day.

We went the extra mile and worked hard to encourage voters who had returned their vote-by-mail envelopes with a non-matching or missing signature to cure their ballots.

An important part of the election canvass that began the day after the Election is the 1% manual tally of election results that provides statistical evidence of the accuracy of the machine counted ballots. A random sample of the 669 tallied batches yielded 16 batches that contained 737 ballots that were hand counted and compared to the machine count. The results were spot on.

I am proud of all the voters who returned their vote-by-mail ballots earlier than ever before in unprecedented numbers. Lastly, I would like to thank my staff and poll workers that worked so hard for so many hours to ensure that the November 3, 2020 General Election was safe, accurate, and secure.

Sincerely,

Joe Paul Gonzalez

OFFICIAL CANVASS OF THE VOTE:

The official canvass was completed and certified on Tuesday, December 1, 2020. This process consisted of several steps which were conducted per Chapter 4, commencing with Election Code Section 15300. These steps include an inspection of all materials and supplies returned from each voting location, processing and counting vote by mail ballots and ballots cast at and returned from each voting location, including same day registration (CVR/PV) ballots, a reconciliation of signatures in the Voting Location check-ins with votes recorded, a reconciliation of ballots counted with the number of votes recorded, a manual tally of 1% of the ballots cast and tabulated by the voting systems. The Department notified the public of the schedule of activities and invited any and all interested individuals and/or groups to observe.

MANUAL TALLY:

The 1% manual tally includes ballots cast from randomly selected voting locations, including random return groups of vote-by-mail, early voted ballots, and election day in person ballots. The "one percent manual tally" is defined by Election Code Section 336.5 as "the public process of manually tallying votes in 1 percent of the precincts, selected at random by the elections official, and in one precinct for each race not included in the randomly selected precincts. This procedure is conducted during the official canvass to verify the accuracy of the automated count."

On Thursday, November 12th at 11:39 am, the Department conducted a system generated "One Percent Random Sample." The random selection included countywide vote by mail ballots, Veterans Memorial Hall for Early Vote, and San Juan Bautista Community Center for Election Day ballots cast.

CANVASS SUMMARY	MACHINE COUNTED	MANUAL COUNTED	MANUAL PERCENTAGE
Vote by Mail Ballots	26497	385	1.45%
Early Vote	1,035	113	10.92%
Election Day	1,675	239	14.27%

During the Manual Tally and Official Canvass process there were no notable discrepancies.
