A MESSAGE FROM FRANCISCO DIAZ

Dear Candidate,

Congratulations on your decision to seek office in the upcoming March 5, 2024, Presidential Primary Election. Your candidacy provides voters a choice and is crucial to the democratic process.

This candidate handbook summarizes major provisions of the California Elections Code and other laws related to candidates and committees involved in the elections process. We designed this guide to help simplify what may seem to be a complicated process, as well as to provide answers to the most-asked questions in a single place. If you don't find the information you seek, we have a team of dedicated and knowledgeable staff ready to answer your questions and assist with the process.

More information about the upcoming elections and additional resources about running for office are available on our website at www.sanbenitocounty-ca-cre.gov, the Secretary of State's website at www.sos.ca.gov, and the California Fair Political Practices Commission website at www.fppc.ca.gov.

Please note that while we make every effort to include as much information as we can, this guide is not intended to be a legal reference. For your own protection, we recommend that you consult with your attorney if you have specific legal questions.

Running for office is one of the most civic-minded things you can do. The upcoming 2024 elections will be significant. The more citizens that become involved in representing and defending our residents' needs, the better for our communities, our County, and our democracy!

I want to thank you personally and on behalf of the residents of San Benito County.

Thank you for stepping up and taking a personal interest to contribute to this important civic process!

All the best to you in your campaign.

When Filing Fee is Paid

Candidates for all offices that require a filing fee are required to pay the filing fee at the time they pick up their Declaration of Candidacy and Nomination Petition. (Elections Code [§8105](#))

Where Filing Fee is Paid and To Whom It Is Payable

- US Senate/State Legislative/Congress/Statewide Offices/State Board Of Equalization: Checks are made payable to the “Secretary of State.” Counties will forward the fee to the Secretary of State
- Superior Court Judge/Board of Supervisor/County Offices: Checks are made payable to the “SBC Elections.” (Elections Code [§8103](#), [8104](#)).

THE FILING FEE MAY BE PAID IN CASH, CHECK, (OR CREDIT CARD FOR LOCAL OFFICES). Filing fees may be paid in cash or personal credit card if the candidate is using personal funds and will not be reimbursed through the campaign committee. (Gov. Code [§85200](#)).

If paying from campaign funds, fees must be paid via check or committee credit card. Campaign disclosure laws require that expenditures of \$100 or more be made by a written instrument containing the names of both the payee and payer. (Gov. Code [§84300](#))

Filing Fees Paid in Money

Amount of Filing Fee - Filing fees are shown in the tables on the previous page. The filing fee is a percentage of the annual salary for the office. No filing fee is required of offices with no fixed compensation or annual salary of \$2,500 or less. Write-in candidates are not required to pay filing fees. (Elections Code [§8103](#), [8104](#), [8604](#))

The filing fee is not refundable. If, for any reason, the candidate fails to qualify, the filing fee is forfeited. (Elections Code [§8105](#))

Returned Checks - If the filing fee is paid with a personal check that is returned without payment, the County Elections Department will notify the candidate by telephone. The candidate must make payment by money order or cashier's check by 5 p.m. on the next business day. Failure to do so will invalidate the individual's candidacy, and the candidate's name will not appear on the ballot.

Signatures In-Lieu of Filing Fee

The Petition Alternative –The law provides an alternative to paying the filing fee in money. Candidates may collect signatures of voters to cover the entire cost of the filing fee or some portion thereof. See the tables beginning on Page 5 for the number of signatures and the value of each. In addition, read the [“Guidelines to Gathering Signatures,”](#) in this manual prior to obtaining a signature.

If the petition is found to contain fewer valid signatures than the face number, the candidate must make up the deficiency before the close of the nomination period by paying the balance of the filing fees in money. Elections Code [§8106](#)

Obtaining the Petition Form – A 2-page master petition form will be available from the Elections Department beginning Sep 14, 2023. The form will be issued directly to the candidate or to someone bearing written authorization from the candidate. There is no charge for the master form; however, the candidate will be responsible for duplicating as many copies as he/she needs. The two pages should be duplicated front to back to prohibit the two pages from being separated. Elections Code [§8106](#)

The Elections Department will maintain a list of all potential candidates who have applied for Signatures-In-Lieu petitions. This will be considered public information in the event of inquiries from the media or others.

Name & Ballot Designation

Name on Ballot

The candidate states on the Declaration of Candidacy how his/her name should appear on the ballot. This should be recognizable as the name under which the candidate is registered, though the two need not be identical. Example: A candidate registered as “Jonathan William Smith” may use such variations as

- John W. Smith
- John Smith
- J. William "Bud" Smith

If a candidate changes his or her name within one year of any election, the new name shall not appear upon the ballot unless the change was made by either of the following: (a) Marriage; or (b) Decree of any court of competent jurisdiction. (Elections Code [§13104](#))

Ballot Designation

The ballot designation is the word or group of words that will appear on the ballot under the candidate's name, designating the principal profession, vocation, or occupation of the candidate. The purpose is to ensure the accurate designation of the candidate upon the ballot in order that an informed electorate may intelligently elect one of the candidates.

A “Ballot Designation Worksheet” must be completed at the time of filing. Elec. Code [§13107.3](#) states:

- (1) A candidate who submits a ballot designation pursuant to subdivision (a) of Section [13107](#) shall file a ballot designation worksheet that supports the use of that ballot designation by the candidate, in a format prescribed by the Secretary of State.
- (2) The ballot designation worksheet shall be filed with the elections official at the same time that the candidate files his or her declaration of candidacy.
- (3) In the event that a candidate fails to file a ballot designation worksheet in accordance with subdivision (a), no designation shall appear under the candidate's name on the ballot.

Ballot Designation - Legislative Requirements

The ballot designation is the word or group of words that will appear on the ballot under the candidate's name, designating the principal profession, vocation, or occupation of the candidate.

Elections Code Sections [13107](#), [13107.3](#) and [13107.5](#) govern the ballot designation that a candidate may use. All candidates (except candidates for Justice of the State Supreme Court or Court of Appeal) may choose a ballot designation to appear immediately under their name on the ballot. Each candidate who submits a ballot designation shall file, in addition to the nomination documents filed pursuant to [§8020](#), a ballot designation worksheet that supports the use of that ballot designation by the candidate. The Ballot Designation Worksheet is obtained from the Elections Department.

The ballot designation must be chosen from one of the four categories below:

- I. **Elective Office:** Words designating the elective city, county, district, state, or federal office which the candidate holds at the time of filing the nomination documents to which he or she was elected by a vote of the people, or to which he or she was appointed, in the case of a superior court judge.
- II. **Incumbent:** The word “incumbent” may be used if the candidate is a candidate for the same office that he or she holds at the time of filing the nomination papers, and was elected to that office by a vote of the people, or, in the case of a superior court judge, was appointed to that office.
- III. **3-word Profession/Occupation/Vocation:** No more than three words designating either the current principal professions, vocations, or occupations of the candidate. If there is no current position, the candidate may use the principal professions, vocations, or occupations of the candidate during the calendar year immediately preceding the filing of nomination documents. For purposes of this section, all California geographical names shall be considered to be one word. If more than one profession, vocation or occupation is listed, it shall be separated by a slash (“/”).
- IV. **Appointed Incumbent:** The phrase “appointed incumbent” may be used if:
 - 1) the candidate holds an office other than a judicial office by virtue of appointment, and the candidate is a candidate for the election to the same office, or,
 - 2) if the candidate is a candidate for election to the same office or to some other office, the word “appointed” and the title of the office.

In either instance, the candidate may not use the unmodified word “incumbent” or any words designating the office unmodified by the word “appointed.” However, the phrase “appointed incumbent” shall not be required of a candidate who seeks reelection to an office that he or she holds and to which he or she was appointed, as a nominated candidate, in lieu of an election.

Community Volunteer ballot designation. (Elections Code [§13107.5.](#))

- (a) A candidate's ballot designation as "community volunteer" shall constitute a valid principal vocation or occupation for purposes of subdivision (a) of Section 13107, if not otherwise in violation of any of the restrictions set forth in that section, and subject to the following conditions:
 - i. A candidate's community volunteer activities constitute his or her principal profession, vocation, or occupation.
 - ii. A candidate is not engaged concurrently in another principal profession, vocation, or occupation.
 - iii. A candidate may not use the designation of "community volunteer" in combination with any other principal profession, vocation, or occupation designation.
- (b) The Secretary of State shall by regulation define what constitutes a community volunteer for purposes of this section.

Titles or Degrees Prohibited

No title or degree shall appear on the same line on a ballot as a candidate's name, either before or after the candidate's name, in the case of any election to any office. (Elections Code [§13106](#))

Unacceptable Designations

Pursuant to Elections Code [§13107\(e\)](#), neither the Secretary of State nor any other election official shall accept a designation of which any of the following would be true:

- 1) It would mislead the voter.
- 2) It would suggest an evaluation of a candidate, such as outstanding, leading, expert, virtuous, or eminent.
- 3) It abbreviates the word “retired” or places it following any word or words that it modifies.
- 4) It uses a word or prefix, such as “former” or “ex”, which means a prior status. The only exception is the use of the word “retired”.
- 5) It uses the name of any political party, whether or not it has qualified for the ballot.
- 6) It uses a word or words referring to a racial, religious, or ethnic group.
- 7) It refers to any activity that is prohibited by law.

Rejected Ballot Designations

If, upon checking the nomination documents and the ballot designation worksheet described in Section [13107.3](#), the elections official finds the designation to be in violation of any of the restrictions set forth in this section, the elections official shall notify the candidate by registered or certified mail return receipt requested, addressed to the mailing address provided on the candidate's ballot designation worksheet.

The candidate shall, within three days, excluding Saturday, Sunday, and state holidays, from the date he or she receives notice by registered or certified mail, or from the date the candidate receives actual notice of the violation, whichever occurs first, appear before the elections official or, in the case of the Secretary of State, notify the Secretary of State by telephone, and provide a designation that complies with subdivision (a).

In the event the candidate fails to provide a designation that complies with subdivision (a) within the three-day period specified in paragraph (1), no designation shall appear after the candidate's name. EC [§13107\(f\)\(2\)](#)

Ballot Designation May Not be Changed after Filing

No ballot designation given by a candidate shall be changed by the candidate after the final date for filing nomination papers, except as specifically requested by the election official.

Ballot Designation in Both Primary and General Elections

The designation shall remain the same for all purposes of both primary and general elections, unless the candidate, at least 98 days prior to the general election, requests in writing a different designation which the candidate is entitled to use at the time of the request. ([EC §13107\(h\)](#))

Format of Ballot Designation

In all cases, ballot designations shall be printed in 8-point uppercase and lowercase type.

If the designation selected is so long that it would conflict with the space requirements of Elections Code [§13207](#) and [13211](#), the election official shall use a type size for the designation for each candidate for office sufficiently smaller to meet these requirements.

Whenever a foreign language translation of a candidate's designation is required under the Voting Rights Act of 1965 (42 U.S.C.A. 1971), as amended, to appear on the ballot in addition to the English version, it shall be as short as possible, as consistent as is practicable with Section [13107](#), and shall employ abbreviations and initials wherever possible in order to avoid undue length.

No Ballot Designation

A candidate who does not want a ballot designation should indicate this in the space provided for ballot designation on the Declaration of Candidacy by writing "NONE", or the space may be left blank. If no designation is given, it will be assumed that none is desired.

Candidate Appearance on Ballot

Position on the Ballot

Randomized Alphabet Drawing and Rotation Requirements

Names of candidates will be arranged on the ballot in accordance with the random alphabet and legal rotation scheme per the Secretary of State.

On December 14, 2023 at 11:00 am, the Secretary of State and each County will conduct a random drawing of the alphabet. Most offices will follow the State random to order candidates on the ballot; however, each county which has state legislative offices overlapping with other counties will draw their own random alphabet and candidates from each county will appear according to each separate county's drawing. Statewide and legislative offices will rotate by Assembly District based on the Secretary of States rotation scheme. [§13112](#)

Insufficient Number of Candidates

All offices in a primary election will appear on the ballot, regardless of the number of candidates, except for Superior Court Judge. However, in a general election, non-partisan offices may have insufficient candidates, which may cause the nominated candidates to be appointed to the office and the office will not appear on the ballot. [§10229](#), [10515](#)

For the office of Superior Court Judge, if, by 5 p.m. on December 8, 2023, only the incumbent has filed nomination papers, his or her name shall not appear on the ballot unless there is filed, within 10 days, a petition indicating that a write-in campaign will be conducted for the office. This petition must be signed by at least 0.1 percent of the registered voters in the county, provided that the petition shall contain at least 100 signatures but need not contain more than 600 signatures. [§8203](#)

Incompatibility of Offices

- (a) A public officer, including, but not limited to, an appointed or elected member of a governmental board, commission, committee, or other body, shall not simultaneously hold two public offices that are incompatible. Offices are incompatible when any of the following circumstances are present, unless simultaneous holding of the particular offices is compelled or expressly authorized by law:
- (1) Either of the offices may audit, overrule, remove members of, dismiss employees of, or exercise supervisory powers over the other office or body.
 - (2) Based on the powers and jurisdiction of the offices, there is a possibility of a significant clash of duties or loyalties between the offices.
 - (3) Public policy considerations make it improper for one person to hold both offices.
- (b) When two public offices are incompatible, a public officer shall be deemed to have forfeited the first office upon acceding to the second. This provision is enforceable pursuant to Section 803 of the Code of Civil Procedure. [Government Code Section 1099](#)

Write-in candidates are subject to the same requirements as other candidates with regard to disclosure of economic interests and campaign disclosure. Gov. Code [§82007](#); Elections Code [§305](#)

Notwithstanding any other provision of law, a person may not be a write-in candidate at the general election for a voter-nominated office. [§8606](#)

The Elections Department will provide Vote Centers with a list of qualified write-in candidates.

Offices Omitted from Ballot

Prospective write-in candidates should note that write-in candidacy is possible only if the office appears on the ballot.

The elections official shall not cause to be printed or circulated any statement that the elections official determines is not so limited or that includes any reference prohibited by this section. [§13308](#)

Only State Senate and Assembly legislative candidates, who choose to keep their campaign spending under specified dollar limits, may prepare a 250-word candidate statement in the County Voter Information Guide.

(Government Code section [85601\(c\)](#)).

Each candidate for nonpartisan elective office in any local agency, including any city, county, city and county, or district, may prepare a 200-word candidate statement. [13307](#)

If you give me the opportunity, I will partner with our residents to dramatically increase community involvement, and prioritize the needs of the residents, not the board.

Cost of Printing Candidate’s Statements

COST FORMULA

The cost for the Candidate’s Statement is based on a quarter page for 200-word statements or half page for 250 & 400-word statements. Please note that San Benito County is required to publish in both English and Spanish, so every 200-word candidate statement is required to utilize two quarter pages. 400- and 450-word statements require two half pages.

For a 200-word statement (1/4 page for each language) printed in the county Voter Information Guide and posted online, the fee is \$250, plus \$.05 per voter* in the district for printing and mailing the voter guide.

For a 250-word statement (1/2 page for each language) printed in the county Voter Information Guide and posted online, the fee is \$400, plus \$.05 per voter* in the district for printing and mailing the voter guide.

For a 400-word statement (1/2 page for each language) printed in the county Voter Information Guide and posted online, the fee is \$450, plus \$.05 per voter* in the district for printing and mailing the voter guide. Jurisdictions must authorize 400-word statements when submitting their resolution for consolidation.

The governing body may authorize candidates to submit a statement to be posted online only, for \$150. Online statements are not printed in the county Voter Information Guide. The guide will contain a statement that will alert voters that additional statements are available on the Elections Department’s Accessible Sample Ballot and Voter Information Guide website.

For primary elections, voter registration is based upon the 154-day Report of Registration. Registration numbers will be available on October 23, 2023.

PAYMENT

The statement may be paid for by check made payable to the "SBC Elections." or cash if the candidate is using personal funds. The fee shall be paid when the statement is submitted if the candidate wants to have a statement printed in the County Voter Information Guide.

If the Candidate's Statement is withdrawn by 5 p.m. on *December 11, 2023 (or by December 14, 2023 if there is an extension) the fee will be refunded in full. *Adjusted to the next business day after the close of nominations.

PRINTING IN SPANISH

San Benito County is required to print candidate statements in both English and Spanish in the County Voter Information Guide. The cost of printing candidate statements in both English and Spanish is included in the Candidate Statement Fee.

OVERLAPPING DISTRICTS

Important notice to candidates in districts that encompass more than one county. Procedures, requirements, fees, formats and public examination periods for candidates' statements may vary between counties. It is the candidate's responsibility to **FILE** in **each county** in which he or she wishes to have a statement printed. **San Benito County cannot accept candidate statement on behalf of another County (refer to "[Neighboring Counties](#)" contact page for filing locations.)**

Candidates' statements shall be filed in the office of the election official of **each county** within the district in which the candidate wishes a statement to be printed when filing nomination documents, not later than 5:00 p.m. on December 8, 2023 (the 88th day prior to the election), or in the event that the nomination period has been extended, until 5:00 p.m. on December 13, 2023 (the 83rd day prior to the election).

It is strongly recommended that the candidate file the statement personally. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletions to the statement if errors or an excess number of words are detected prior to filing the statement. Statements may not be changed after filing unless authorized by a court order. They may however be withdrawn only until the 1st business day after the nomination filing period ends for the office sought.

To learn more about Candidate Statement Fees in this election, please refer to the table found in [Candidate Statement Fees](#) on page 8.

Legal Examination of Candidate Statements and Writs of Mandate

Examination Period for Candidate Statements

After the filing deadline for candidate statements, the statements may be reviewed by the public for 10-calendar days. During this 10-calendar day examination period any voter of the jurisdiction in which the election is being held may take legal action to challenge the contents of the statement. The first filing deadline is Friday, December 8, 2023 and the 10-calendar day deadline is Monday, December 18, 2023. The extension period filing deadline is Wednesday, December 13, 2023 and the 10-calendar day deadline would be Tuesday, December 26, 2023.

We recommend that anyone wishing to pursue a legal challenge to a candidate statement file a petition for a writ of mandate (along with an ex parte application) early in the 10-calendar day period. Waiting until the end of the examination period leads to the risk that a judge may deny the request due to the fact that any changes will interfere with the printing and distribution of the sample ballots to voters.

Elections Code Section [13313](#) states:

(a) The elections official shall make a copy of the material referred to in Section [13307](#) available for public examination in the elections official's office for a period of 10-calendar days immediately following the filing deadline for submission of those documents. Any person may obtain a copy of the candidate's statements from the elections official for use outside of the elections official's office. The elections official may charge a fee to any person obtaining a copy of the material, and the fee may not exceed the actual cost incurred by the elections official in providing the copy.

(b)(1) During the 10-calendar day public examination period provided by this section, any voter of the jurisdiction in which the election is being held, or the elections official, himself or herself, may seek a writ of mandate or an injunction requiring any or all of the material in the candidates statements to be amended or deleted. The writ of mandate or injunction request shall be filed no later than the end of the 10-calendar day public examination period.

(2) A peremptory writ of mandate or an injunction shall issue only upon clear and convincing proof that the material in question is false, misleading, or inconsistent with the requirements of this chapter, and that issuance of the writ or injunction will not substantially interfere with the printing or distribution of official election materials as provided by law.

(3) The elections official shall be named as respondent and the candidate who authored the material in question shall be named as the real party in interest. In the case of the elections official bringing the mandamus or injunctive action pursuant to this subdivision, the board of supervisors of the county shall be named as the respondent and the candidate who authored the material in question shall be named as the real party in interest.

Procedure for Writs

Any person desiring to file an ex parte application for a writ of mandate may wish to consult the California Rules of Court, Rules 3.1200 through 3.1207, in addition to any other relevant rules or statutes, for the proper procedure. The California Rules of Court may be located online at the California Judicial Council's website: <http://www.courts.ca.gov/rules.htm>.

Including Improper Material in Candidate Statements

Elections Code section [13307\(d\)](#) provides that:

Nothing in this section shall be deemed to make any such statement or the authors thereof free or exempt from any civil or criminal action or penalty because of any false, slanderous or libelous statements offered for printing or contained in the Voter Information portion of the Sample Ballot.

Elections Code section [18351](#) further provides that:

Any candidate in an election or incumbent in a recall election who knowingly makes a false statement of a material fact in a candidate's statement, prepared pursuant to Section [11327](#) or [13307](#), with the intent to mislead the voters in connection with his or her campaign for nomination or election to a nonpartisan office is punishable by a fine not to exceed one thousand dollars (\$1,000) or the current fine amount required by law.

Section 6 - CAMPAIGN DISCLOSURE STATEMENTS

General Information

It is the responsibility of candidates and/or committees to be aware of and to file the required campaign disclosure statements in a correct and timely manner.

Late Filings

There are no provisions for granting “extensions” of the filing deadlines.

If a candidate, officeholder, or committee is required to file a statement and has failed to do so by the deadline, the San Benito County Elections Department staff will:

- a. Telephone the responsible party
- b. Provide written notice that statement must be filed within 10 days (5 days for 2nd Pre-Election Statement) noting that a fine of \$10 per day beginning the day after the filing deadline until the date the statement is filed will be assessed. The **maximum** penalty is \$100 or the total amount of contributions received or the total amount of expenditures made (whichever is greater) during the period covered by the late statement.
- c. Send an email to the Principal Officer and/or Treasurer.

Failure to file a statement after appropriate notice will be referred to an enforcement official and can result in substantial criminal, civil and administrative penalties.

Multiple Committee Filing Requirements

Whenever a candidate or officeholder has more than one committee, whether the committees are formed for the same office, or a different office in the same jurisdiction, all committees must file statements each time a committee statement is due.

Whenever an elected officeholder in one jurisdiction runs for an elected office in another jurisdiction, the officeholder and all committees he/she controls must file campaign disclosure statements with the filing officer in the jurisdiction in which the officeholder holds office **AND** in which the officeholder is seeking office.

Local & State Candidate Campaign Disclosure Manuals

The campaign disclosure and lobbying manuals are prepared to assist candidates, committees and lobbyists in complying with the Act's numerous and often detailed rules. The manuals are written in a "user friendly" format and contain several examples, FAQs and Quick Tips. If a committee's or lobbyist's activity raises issues not discussed in the applicable manual, contact the FPPC for assistance.

To help better serve you, in addition to providing a link to the entire manual, there are links to each chapter of each manual for faster download. (These links are available via the FPPC website at <http://www.fppc.ca.gov/learn/campaign-rules/campaign-disclosure-manuals.html>)

Local & State Candidate Campaign Disclosure – Things to Remember

The Franchise Tax Board is authorized under [Section 90001](#) of the California Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- Even unopposed candidates are subject to the campaign disclosure provisions of the Political Reform Act. (Gov. Code [§82007](#))
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file a Form 501 (candidate intention).
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- A Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$2,000 or more during a calendar year. Candidates for county offices (excludes judges, school boards and special district boards) must file a Form 410 prior to the acceptance of any campaign contribution totaling \$50 or more or the making of any expenditure intended to influence the outcome of any election.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.

- Loans to a candidate are considered contributions unless the loan is from a financial institution. The Federal Election Campaign Act ([52 U.S.C. Subtitle III, §30118 & 30121](#)) prohibits contributions from national banks, national corporations, and foreign nationals in connection with any local, state, or federal election to political office.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee. (Gov. [Code §85200](#)) Otherwise, campaign disclosure laws require that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payer. (Gov. Code [§84300](#))
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, address, occupation and employer. Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card. (Gov. Code [§84300](#))
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$2,000. Refer to record-keeping guidelines in Manual A.
- Make copies of all contributor checks.
- Itemize expenditures of \$500 or more made by an agent or campaign consultant.
- No candidate or committee shall send a mass mailing unless the name, street address, and city of the candidate or committee are shown on the outside of each piece of mail in the mass mailing and on at least one of the inserts included within each piece of mail of the mailing in no less than 6-point type which shall be in a color or print which contrasts with the background so as to be easily legible. A post office box may be stated in lieu of a street address if the organization's address is a matter of public record with the Secretary of State. ([GC §84305\(a\)](#))
- Candidates must disclose employer information for all contributors and keep all records of occupation and employer information.
- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative, or governmental purposes.
- The source for each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement Summary Page.
- As long as a committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must be filed as the Semi-Annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 Statement of Organization must be filed.
- If \$1,000 or more is received from one contributor during the last 90 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.

Campaign Finance Prohibitions

State law provides for the following prohibitions regarding campaign funds:

- No contribution of one hundred dollars (\$100) or more shall be made or received in cash. If a cash contribution is made, it shall not be deemed received if it is refunded within 72 hours of receipt or in the case of a late contribution, within 48 hours of receipt.
- No expenditure of one hundred dollars (\$100) or more shall be made in cash.
- The value of all in-kind contributions of one hundred dollars (\$100) or more shall be reported in writing to the recipient upon the request in writing of the recipient. (Gov. Code [§84300](#))
- No contribution shall be made, directly or indirectly, by any person in a name other than the name by which such person is identified for legal purposes. (Gov. Code [§84301](#))
- No person shall make an anonymous contribution or contributions to a candidate, committee or any other person totaling one hundred dollars (\$100) or more in a calendar year. An anonymous contribution of one hundred dollars (\$100) or more shall not be kept by the intended recipient but instead shall be promptly paid to the Secretary of State for deposit in the General Fund of the state. (Govt. Code [§84304](#))
- No contribution shall be commingled with personal funds of the recipient or any other person. (Govt. Code [§84307](#))
- Contributions made by a husband and wife may not be aggregated. A contribution made by a child under 18 years of age is presumed to be a contribution from the parent or guardian of the child. (Gov. Code [§85308](#))
- No newsletter or other mass mailing shall be sent at public expense. (Gov. Code [§89001](#))
- Every person who contrives, prepares, sets up, proposes, or draws any lottery or raffle, is guilty of a misdemeanor. (Penal Code [§319](#), [320](#))

There are two types of advice that the Fair Political Practices Commission may provide; Informal and Formal.

Formal Advice

If you have a more complicated question about your obligations under the Act and you would like legal advice from the FPPC's staff attorneys, you may request formal advice by submitting your inquiry in writing to Advice@fppc.ca.gov. To ensure the most expeditious review of the request, the FPPC encourages the submission of the advice request via email. It is unnecessary to submit a hard copy of the request by regular mail, and a requestor should receive a confirmation of the receipt of the request within 2 business days.

If you are unable to submit an advice request via email, you can mail the request to the FPPC's Legal Division at 1102 Q Street, Suite 3000, Sacramento, CA 95811. Advice requests submitted by regular mail may be subject to processing delays.

If the request for advice contains sufficient information and the question is within the FPPC's jurisdiction, the FPPC must provide formal written advice within 21 working days. The response will be provided in the form of an "advice letter."

A formal advice letter can provide the requestor immunity from enforcement actions by the FPPC. It also provides evidence of good faith conduct in any relevant civil or criminal proceeding brought by another party, so long as the facts presented in the request for advice are accurate and the requestor follows the guidance provided in the FPPC's advice letter. Formal advice does not provide immunity to any person other than the requestor.

The FPPC saves and posts all advice letters. Go to the Search Advice Letters page to search. The letters may be searched and used for guidance only – they will not provide immunity to any person other than the original requestor.

The request must:

- Be in writing,
- Provide specific information about the requestor, and
- Contain sufficient information for the FPPC's staff attorneys to conduct a complete legal analysis.

If a request does not meet these criteria, the FPPC may provide an informal written reply with general guidance. This type of advice does not provide the requestor with immunity from enforcement actions.

Commission Opinions

Another form of formal advice is a Commission Opinion. Any individual or entity (or their authorized representative) may request a formal opinion from the Commission concerning their duties under the Act. The Commission's Executive Director must accept or reject a request for a formal opinion within 14 days.

A request will normally be rejected if the question can be answered under existing statutes or regulations, or does not otherwise present a significant policy issue. In addition, since the process requires formal action by the full Commission, it normally takes several months after the question is submitted and accepted before a formal opinion may be issued. Due to the topic restrictions and the processing time, Commission Opinions are infrequent.

A Commission Opinion provides the requestor with immunity from civil or criminal prosecution under the Act so long as the facts presented by the requestor are accurate and the requestor acts within the confines of the opinion. More details about the formal opinion process can be found in sections [18320 through 18326](#) of Title 2 of the California Code of Regulations. Prior Commission Opinions are available online, on the Search Commission Opinions page.

You may submit your request for an official Commission opinion to ExecutiveDirector@fppc.ca.gov or by mailing your request to the FPPC at the address provided above.

Informal Advice (Telephone and Email)

The FPPC is dedicated to ensuring that candidates, public officials, and campaigns have resources available to help them comply with the Act. The FPPC offers email and telephone advice for the regulated public to have basic questions answered by experienced staff regarding their responsibilities under the Act. Please note informal advice does not provide immunity from prosecutions by the FPPC and **does not** qualify as legal advice.

Third party questions, hypothetical questions, and enforcement related matters will not be answered through the advice service.

This advice is considered informal assistance and conservative responses are provided. In most instances, email advice will link you to the appropriate reference material posted on the FPPC website.

Assistance by Email (informal advice)

Members of the public may submit questions regarding compliance with the Act to advice@fppc.ca.gov.

Some of the benefits of email advice include:

- emails may be submitted at any time (24/7!) and are not limited to a timeframe for submission;
- most emails are responded to within 24 to 48 hours, though depending upon the nature of the question some may take longer;

- receiving a written response on the advice given to keep with committee or filer records; and
- opportunities for helpful fact sheets, guides, manuals, and other written materials to be provided to the requestor for additional guidance.

Email advice provides the opportunity for the regulated public to receive timely written responses on their obligations under the Act. Questions with specific sets of facts such as gift reporting, reporting travel, use of campaign funds, conflicts of interests are better suited for email advice.

Assistance by Telephone (informal advice)

Members of the public may call the FPPC advice line for help with basic questions regarding compliance with the Act. Please note that questions on reporting on campaign statements, filing schedules, the Form 700, lobbying reports are best suited for telephone advice.

Toll-Free: 1-866-ASK-FPPC (1-866-275-3772) or 1-916-322-5660

Telephone advice is available Monday through Thursday from 9:00 a.m. to 11:30 a.m. Call the numbers listed above and press 2 to speak to a political reform consultant in the Technical Assistance Division.

The reasons are twofold:

- A. The oath of office on the Declaration of Candidacy must be administered by a member of the Department of Election's staff, an authorized public official, or a notary public. We strongly recommend that a candidate file the nomination papers in person and have the oath administered at the time he or she files; and
- B. The signature of the candidate, as well as other data, is required on many documents involved in the nomination process. If through an oversight the nomination papers are incomplete, the problem can easily be rectified when a candidate files in person.

If the candidate wishes to mail the nomination papers, they must be sent by certified mail and arrive in our office by the close of the nomination period, regardless of the postmark.
